### RECREATION DEPARTMENT

**Early Bird Discount Fee:** The Department will be marketing an Early Bird Discount fee. The purpose of this fee is to increase the number of participants who sign up within the registration period (on time) for a particular program. The fees of the programs are essentially not changing, the department is requesting to use the terms Early Bird Discount. For Example, the spring soccer program in 2014 for a city resident was \$50 if you signed up by March 28th. All registrations after

March 28th were assessed a \$25 late fee. In 2015 the department will market the Spring Soccer program's early discount fee as \$50 and after March 27th the rate will be \$75.
