

**Advantages of
APWA
National Membership**

Resources (books, videos, APWA Washington Report, International Public Works Congress, North American Snow Conference, and review the latest news in public works in the APWA Reporter).

Training and professional development through workshops and audio-web conferences.

Networking (easy and cost effective opportunity to exchange information with your colleagues and to keep up-to-date on the latest technologies).

Members are eligible to participate on Technical Committees that lead the association in its strategic mission.

Opportunities for your contributions to the field of public works to be recognized through award programs.

Barton & Loguidice, D.P.C.
