NOTES AND COMMENTS

1. **Purpose of this Report:** This is a report to fulfill Saratoga Springs City Charter requirements. It is designed to assist city departments in the execution of their budgets. These figures are not audited and are on a cash basis.
2. **Revenue Printed as Credit:** Revenue has a minus sign (-) as it is printed as a credit in the city financial accounting system.
3. **Comparing 2015 Expenses with Prior Years:** Year-to year variation may be evident between some items because the *total* budgets have increased or decreased. Compare both the Amounts as well as the Percents. In addition, items are sometimes re-categorized due to re-organization, auditor recommendation, or increased clarification. This can also affect year-to-year comparison.
4. **“Number of Personnel”:** Differences among quarters are due to seasonal needs, budget changes, retirements, etc.
5. **Contingency Expense Line:** Expenditures may not be charged directly to a contingency line. Funds must be transferred from this line into the line from where the expense may be charged, such as a payroll line. Accordingly, “YTD Expended” and “Percent Used” will not reflect contingency amounts utilized. See instead, columns entitled “Transfers Adjustments” and “Revised Budget” for amounts drawn out of contingency.
6. **Balanced Budget and “Carry Forward”:** The difference between total Revised Revenue and Expenses is equal to encumbrance "carried forward" from prior year.
7. **YTD Revenue Collected:** Year to date revenue collected represents moneys received *and* posted for the period 01/01/15-03/31/15.
8. **Sales Tax Data:** Sales tax data reflects payments received by the city; it does not reflect the total per the New York State collection period.
