RE: Saratoga Springs Unified Development Ordinance - Proposal

Mayor Yepsen,

Thank you and the committee again for meeting with us to discuss our professional services proposal for the *Unified Development Ordinance Project*. We are very committed to working with the city and hope that we can be of service to you for this important effort. We have adjusted our original proposal to better meet the needs of the project - please accept this letter as our revised proposal.

Our proposed scope of work would be as follows:

Task One: Contract Management & Report

- The Behan Planning and Design Team shall prepare and submit a *Project Execution Plan*, with draft Project Benefits Metrics Report (PBMR), for review and approval by NYSERDA. The draft PBMR shall include proposed performance metrics, projected benefits, methods for data collection and calculations.
- Our firm shall coordinate the project with the City of Saratoga Springs and subconsultants, participate in monthly conference calls, prepare meeting minutes and provide general project management.
- Our team shall prepare a (draft and final) "Technology Transfer" report at the completion of the project, describing the work performed and the associated results, to NYSERDA for review and comment.
- Our firm shall assist the city with the identification of a Staff Advisory Committee which will periodically meet and review draft project materials. It is anticipated that this committee would consist of representatives of the Mayor's Office, Planning Department and Planning Board.
- The City of Saratoga Springs shall provide in-kind services to support the project, process invoices related to the NYSERDA contract, track expenses, as well as prepare and submit Quarterly Progress Reports.

Task Two: Diagnostic Review

- The Behan Planning and Design Team shall conduct a diagnostic review of the latest Comprehensive Plan, zoning ordinance and subdivision regulations. This review will serve to identify what changes are required to bring the city codes into compliance with the new Comprehensive Plan, synchronize related city policies and standards, and identify other recommended changes which would improve the sustainability of the city.

info@behanplanning.com

151 South Main Street, Suite 200
New City, New York 10956
Phone (845) 499-2060
www.behanplanning.com

- Our firm will conduct interviews with key city officials and staff to identify other elements which should be incorporated into the new development code, or edits to the zoning which should be made as part of the transition.
- Our firm will prepare a *Draft Diagnostic Review Report*, which will outline all of the items identified in the analysis and interviews and submit this to the Staff Advisory Committee for consideration prior to a review meeting. Based on discussions, the *Draft Diagnostic Review Report* will be adjusted as necessary and submitted to NYSERDA.

Task Three: Public Workshops & Code Outline

- Behan Planning and Design shall facilitate up to two (2) Public Workshops/Charrettes to present the findings of the Diagnostic Review, solicit input on further improvements to the code and discuss potential design changes. The specific design focus of the workshop or charrette can be determined by the city after the start of the project.
- Behan Planning and Design shall prepare a detailed outline of the new code based on the recommendations of the Diagnostic Review Report and the public workshop input. This outline would establish the basic organizational structure of the new code, identify what elements would be in each section, identify proposed changes in each section and outline any new goals, standards or policies which should be incorporated into each. The Draft Code Outline shall be submitted to the Staff Advisory Committee for consideration in advance of a review meeting, and submitted to NYSERDA. This document will serve as a blueprint for the development of the Unified Development Code moving forward.

Task Four: Unified Development Ordinance Draft (50% Schematic Draft)

- Behan Planning and Design shall prepare a *50% Schematic Draft* of the proposed new Unified Development Code. This first draft shall include all of the existing zoning language, as well as new language, organized and presented in a "redline/blueline" (track changes) format to make it very easy for all parties to see what is proposed to be added, changed or deleted from the existing code. The Schematic Draft shall be submitted to the Staff Advisory Committee for consideration in advance of a review meeting, and submitted to NYSERDA.

Task Five: Unified Development Ordinance Draft (75% Preliminary Draft)

- Based on the draft comments, Behan Planning and Design shall continue to advance and refine the code into a *75% Preliminary Draft*. This draft shall include all of the existing and proposed zoning language presented in track-changes format, including additional charts, supporting illustrations and photographs as they are developed. The Preliminary Draft shall be submitted to the Staff Advisory Committee for consideration in advance of a review meeting, and submitted to NYSERDA.

Task Six: Unified Development Ordinance Draft (95% Public Review Draft)

- Behan Planning and Design shall continue to advance and refine the code into a *95% Public Review Draft*. This draft shall include all elements and content anticipated to be in the final code. The Public Review Draft shall be submitted to the Staff Advisory Committee for consideration in advance of a review meeting, and submitted to NYSERDA.
- Behan Planning and Design shall present the 95% Public Review Draft at a regularly scheduled City

Council meeting to review the proposed changes and solicit community feedback. This meeting shall be advertised in advance with materials made available on the city web site so that interested members of the public can be informed, review the work and provide comment. All comments received during this period will be collected and documented as part of the work.

Task Seven: Final Unified Development Ordinance Draft (100%)

- Behan Planning and Design shall finalize the previous draft based on public comments and input from the Staff Advisory Committee, and prepare the final draft for adoption.

Task Eight: SEQR and Final Adoption

- Behan Planning and Design shall prepare a Long or Short Form Environmental Assessment Form to assess the proposed zoning changes, and will assist the city in preparation of related determination letters and resolutions necessary for City Council Adoption. The final code shall be printed and presented to the City Council.

Schedule: 12 months

Total Lump Sum Fee: \$129,300

The proposed scope provided above is a suggested approach based on conversations with your staff, however we would be willing to adjust the items to meet your specific needs after you have had time to discuss this proposal.

Additional services beyond those specified above would be available at an hourly rate. It is anticipated that we would coordinate with city planning staff for in-kind project support as needed. If you have any questions, please do not hesitate to call me. In advance, thank you for the opportunity to be of service.

Respectfully submitted,

Michael B. Allen

 Company Telephone No.: 518-583-4335 Company Fax No.: 518-583-6970
 Consultant Primary Contact for This Project: John Behan Title: Principal

The City of Saratoga Springs herein requires the following terms and conditions regarding the agreement for the provision of professional services as outlined above:

The Consultant shall procure and maintain during the term of this contract, at the Consultant's expense, the insurance policies listed with limits equal to or greater than the enumerated limits. The Consultant shall be solely responsible for any self-insured retention or deductible losses under each of the required policies. Every required policy, including any required endorsements and any umbrella or excess policy, shall be primary insurance. Insurance carried by the City of Saratoga Springs, its officers, or its employees, if any, shall be excess and not contributory insurance to that provided by the Consultant. Every required coverage type shall be "occurrence basis" with the exception of Professional Errors and Omissions Coverage which may be "claims made" coverage. The Consultant may utilize umbrella/excess liability coverage to achieve the limits required hereunder; such coverage must be at least as broad as the primary coverage (follow form). The Office of Risk & Safety Management must approve all insurance certificates. The City of Saratoga Springs reserves its right to request certified copies of any policy or endorsement thereto. All insurance shall be provided by insurance carriers licensed & admitted to do business in the State of New York and must be rated "A-VII" or better by A.M. Best (Current Rate Guide). If the Consultant fails to procure and maintain the required coverage(s) and minimum limits such failure shall constitute a material breach of contract, whereupon the City of Saratoga Springs may exercise any rights it has in law or equity, including but not limited to the following: (1) immediate termination of the contract; (2) withholding any/all payment(s) due under this contract or any other contract it has with the vendor (common law set-off); OR (3) procuring or renewing any required coverage(s) or any extended reporting period thereto and paying any premiums in connection therewith. All monies so paid by the City of Saratoga Springs shall be repaid upon demand, or at the City's option, may be offset against any monies due to the Consultant.

The City of Saratoga Springs requires the Consultant name the City as a Certificate Holder for the following coverage for the work covered by this Agreement:

- Commercial General Liability Including Completed Products and Operations and Personal Liability Insurance: One Million Dollars per Occurrence with Two Million Dollars Aggregate (*City is also an Additional Insured on a Primary and Non-contributory Basis for this coverage*);
- Commercial Automobile Insurance: One Million Dollars Combined Single Limit for Owned, Hired and Non-owned Vehicles
- Excess Liability Insurance: ~~Three~~ Million Dollars per Occurrence Aggregate *Two Million per Occurrence Agg*
- Professional Liability Insurance: One Million per Claims with Two Million Aggregate
- NYS Statutory Workers Compensation, Employer's Liability and Disability Insurance

It shall be an affirmative obligation of the Consultant to advise City's Office of Risk and Safety via mail to Office of Risk and Safety, City of Saratoga Springs, 474 Broadway, Saratoga Springs, NY 12866, within two days of the cancellation or substantive change of any insurance policy set out herein, and failure to do so shall be construed to be a breach of this Agreement. The Consultant acknowledges that failure to obtain such insurance on behalf of the municipality constitutes a material breach of contract and subjects it to liability for damages, indemnification and all other legal remedies available to the City. The Consultant is to provide the City with a Certificate of Insurance naming the City as **Additional Insured on a primary and non-contributory basis prior** to the commencement of any work or use of City facilities. The failure to object to the contents of the Certificate of Insurance or the absence of same shall not be deemed a waiver of any and all rights held by the municipality. In the event the Consultant utilizes a Subcontractor for any portion of the services outlined within the scope of its activities, the Subcontractor shall provide insurance of the same type or types and to the same extent of coverage as that provided by the Consultant. All insurance required of the Subcontractor shall name the City of Saratoga Springs as an **Additional Insured on a primary and non-contributory** basis for all those activities performed within its contracted activities for the contact as executed.

The Consultant, to the fullest extent provided by law, shall indemnify and save harmless the City of Saratoga Springs, its Agents and Employees (hereinafter referred to as "City"), from and against all claims, damages, losses and expense (including, but not limited to, attorneys' fees), arising out of or resulting from the performance of the work or purchase of the services, sustained by any person or persons, provided that any such claim, damage, loss or expense is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of property caused by the tortious act or negligent act or omission of Consultant or its employees or anyone for whom the Consultant is legally liable or Subcontractors. Without limiting the generality of the preceding paragraphs, the following shall be included in the indemnity hereunder: any and all such claims, etc., relating to personal injury, death, damage to property, or any actual or alleged violation of any applicable statute, ordinance, administrative order, executive order, rule or regulation, or decree of any court of competent jurisdiction in connection with, or arising directly or indirectly from, errors and/or negligent acts by the Consultant, as aforesaid.

The City of Saratoga Springs specifically reserves the right to suspend or terminate all work under this contract whenever Consultant and/or Consultant's employees or subcontractors are proceeding in a manner that threatens the life, health or safety of any of Consultant's employees, subcontractor's employees, City employees or member(s) of the general public on City property. This reservation of rights by the City of Saratoga Springs in no way obligates the City of Saratoga Springs to inspect the safety practices of the Consultant. If the City of Saratoga Springs exercises its rights pursuant to this part, the Consultant shall be given three days to cure the defect, unless the City of Saratoga Springs, in its sole and absolute discretion, determines that the service cannot be suspended for three days due to the City of Saratoga Springs' legal obligation to continuously provide Consultant's service to the public or the City of Saratoga Springs' immediate need for completion of the Consultant's work. In such case, Consultant shall immediately cure the defect. If the Consultant fails to cure the identified defect(s), the City of Saratoga Springs shall have the right to immediately terminate this contract. In the event that the City of Saratoga Springs terminates this contract, any payments for work completed by the Consultant shall be reduced by the costs incurred by the City of Saratoga Springs in rebidding the work and/or by the increase in cost that results from using a different vendor.

Consultant, having agreed to the terms and the recitals set forth herein, and in relying thereon, herein signs this Agreement.
