Commissioner Sirocco,

We just received our water bill and are asking for some relief. We recently moved to our current residence in Gansevoort. Our properties at 47 Marvin Street, 5 and 3 Van Rensselaer Street all run through one water and sewer line starting at Marvin Street going into 47 into 5 into 3. All 3 houses have been unoccupied since early March. The water line in 5 broke and filled the basement. We are in the process of selling both 3 and 5 and when the realtor checked out 5 I found we had an indoor swimming pool in the basement of 5. I immediately got it fixed but since all houses were vacant had no idea this was going on. With 3 and 5 being sold and the water and sewer lines now running up Van Rensselaer Street all 3 houses will have their own line. If we could possibly have some relief on this water and sewer bill it would be appreciated. Enclosed is a copy of the repair bill from the plumber. I work during the day and am unable to take phone calls. I would appreciate it if you could call my parents, William & Joanne Wildy, at the phone number listed below. I authorized them to act on my behalf. Thank you in advance.

Thank you,

Amanda Wildy 7/23/15
